THE LONG BRANCH LAKES
Equestrian Center

# PHASE II OF THE LONG BRANCH LAKES EQUESTRIAN CENTER

Preliminary planning is already underway for expansion of the Equestrian Center. Facilities and services envisioned for Phase II include:

- A second, 28-stall barn
- Attached covered and lighted riding arena (128' x 312')
- Five indoor wash/groom stalls
- Vet and farrier stalls with infrared heat lamps
- Great room with full kitchen and bar
- Second floor meeting and guest rooms
- Full baths, showers, lockers and laundry
- Six outdoor wash racks
